

Blood and Skin Diseases

Caused by Impurities and Bacteria in the Blood.

That the blood is a natural antiseptic and powerful germ destroyer is a fact recognized by all leading medical men.

There are certain cells in the blood whose sole mission is to keep it free from impurities, and which seem to have nothing in particular to do on ordinary occasions but to float about on the blood tides, and wander through the various channels and tissues of the body watching other cells work.

But the moment those cells come upon a foreign particle, disease germ or impurity in the blood or fragment of worn-out cells, they pounce upon it, wrap themselves around it, and either digest or destroy it, or carry it off to a safe place of deposit, either within the tissues or without.

A great deal of lore has accumulated about these wandering scavengers of the blood, and they seem to be of great importance in many ways, and are known to medical men as phagocytes. Whenever the blood becomes very impure and the number of germs within it are large, the phagocytes are vastly increased numerically, a condition known as phagocytosis.

Thus a fierce struggle between the germs and the phagocytes rages. The phagocytes usually win out and destroy the germs, but it sometimes happens that the phagocytes are completely overwhelmed by numbers, so rapid is the increase of germs and blood impurities.

STUART'S CALCIUM WAFERS are the most powerful germicides, anti-scorbutics and alteratives, or blood purifiers in the United States Pharmacopoeia. When the phagocytes are overcome by disease germs and blood impurities, these wonderful little wafers, when taken into the system, exert a most powerful germ-killing and purifying effect on the blood, assisting the phagocytes in driving all foreign matter from the system, thus freeing it from all skin and blood diseases, and so rapid and efficient is the work of purification performed that a complete change for the better is noticed in a remarkably short time.

Stuart's Calcium Wafers should be in every home. Every one needs a blood purifier occasionally at least. For sale at all drug stores at 50 cents a package, or send us your name and address and we will forward you a free sample package, and let you test the remedy for yourself at our expense. Write today. Address F. A. Stuart Co., 175 Stuart Bldg., Marshall, Mich.

MURRAY.

The bond election, which was held in Murray Friday, resulted in the defeat of those who have been working for the issuance of \$20,000 worth of bonds for the erection of a new high school building, and consequently the bonds will not be issued. The polls opened at 7 a. m. and closed at 7 p. m. In the five districts the voting was not strong, and in the fourth district only 23 votes were cast, while in the fifth district, the largest number was polled. As a result of the defeat of the bond issue, the Murray board of education will meet the early part of the coming week and discuss the situation.

The Murray First ward choir yesterday chartered a special car over the Salt Lake Route and went to Draper in a body, where they presented their cantata, which made such a decided hit at the Musical carnival held in Murray the week past. Over 150 people made the trip. A banquet was also served to the visitors by the Draper choir association.

Work will be commenced at once upon the relaying of the State street-Murray line by the Utah Light & Railway company with 60-pound steel rails. When it is completed, the construction of the line to Bingham Junction and Sandy will begin. When the new track has been laid, the Utah Light will maintain a 15-minute service to Murray and a 30-minute service to Bingham Junction and Sandy.

At a late hour Friday evening A. B. Gardner noticed some one prowling around John Parver's hen house. Sandy Mr. Gardner quietly informed Mr. Parver of the intended raid on his hen roost, and they surrounded the house. They caught Ed Hardcastle coming out of the coop with a couple of chickens under his arm.

A short distance from the coop Joe Mace was discovered lying in the ditch keeping watch. They will have a hearing before Justice Greaves Monday morning.

Superintendent Horne of the Lund school is now maturing an excellent crop of vegetables in the school's garden plot. A tennis court, basketball grounds and baseball diamond will be completed this week, and the boys given the privilege of enjoying themselves on the grounds. Fourteen boys are now at the school, and a special instructor is now looking after all the school work, while Mr. Horne confines his attention to the institution and the outside work.

EPHRAIM NEWS NOTES.

Ephraim, April 2.—The funeral services over the remains of the little 7-year-old son of Mr. and Mrs. Jesse Clements were held at their home at Fairview yesterday afternoon. This was one of the saddest

funerals held here for many months, as Mr. and Mrs. Clements were laying their second child away within the past two weeks. Flowers in profusion covered the casket, and the house was well filled with friends who came to sympathize with the bereaved parents.

The marriage of Elmer Nelson and Margaret Jensen of Redmond took place at the Methodist church Wednesday. A reception was given at the home of the bride's parents at Redmond Thursday night.

William Osborne, son of Spring City is suffering with a severe case of pneumonia.

The performance given by the home minstrels at the opera house last night was well attended, and was one of the best performances given in this city during the past winter.

Mrs. E. J. Lewis of Salina is reported to be recovering slowly.

A Lundquist of Spring City was called to Idaho during the week on account of the severe illness of his son, who is living in that state.

The regular weekly meeting of the Ephraim Commercial club was held last night with a good representation present.

ADMIRAL EVANS REVIEWS CADETS AT HIGH SCHOOL

Continued From Page 1.

Roads to San Francisco in Command of the Atlantic Fleet," and his quizzical humor, combined with a naive shrewdness in taking advantage of the patriotism of his hearers, made the occasion one of extraordinary success.

The admiral was escorted to the platform by Governor Spry and his military staff, Colonel F. M. Sterrett of the Grand Army of the Republic, President Halloran and Secretary Fisher Harris of the Commercial club, Adjutant General Wedgwood, Captain W. C. Webb, Charles S. Burton and Professor George Eaton.

Following musical numbers by the choir and the High School band, Governor Spry, after delivering an eulogy, introduced Admiral Evans. The distinguished lecturer, calling attention to the fact that his civil war wounds have been troubling him recently, craved permission to remain seated while speaking. The lecture lost none of its fire and brilliancy through this fact, however, his gestures and enunciation being as vigorous as though he were enjoying the best of health.

Description of Voyage.

The description of the preparations for the 14,000-mile voyage, the parting with friends and loved ones, preparatory, target and maneuver practice and the shipping of hundreds of thousands of dollars' worth of stores required to provision the fleet, held the large audience in closest attention. When the admiral took a side dig at the mistakes and omissions of congress, a roar of approval went up, particularly when he described how, at the January fair, appropriation was made for the entertainment of foreigners, but nothing was set aside for the dining and dining of plain American citizens.

"No one man could have thought of taking that fleet around the world, and only one man would ever have thought of sending it. It took 15,000 men to run the fleet, and each and every one of them deserve the credit. It took one man to order us to go, and to him belongs the credit of giving the world a spectacle never before equalled. We have been around the world once, and if you want another American fleet to make a similar trip, you have the man at Washington say so and they'll go, and take it from me there's no one in the world can stop them."

Not Enough Battleships.

"But there is one thing I want to say to you, and to the people of the entire country. We have not enough battleships by one-third. There must be a fleet on the Atlantic as well as the Pacific coast. I cannot get it, but you and the other citizens of this great, free country can. While I hope that we will always have peace, and while I would be glad to see universal disarmament, I do not see anything for us to do now but to get a good fleet for the Pacific coast—and get it right now. When you do that, we'll keep peace, and lots of it, even though we may be forced to fight for it."

Admiral Evans had his audience with him during every second of the speech and, realizing it, displayed a fund of wit which kept the crowd present in constant laughter.

Program for Today.

The program outlined for him today is: During the morning he will receive friends, and particularly the relatives of E. D. Hooper, the man who secured his appointment to Annapolis; later he will take an automobile trip about the city, stopping at the tabernacle at 12:15, where a special musical program is to be rendered in his honor. Luncheon is to be served Admiral and Mrs. Evans at the home of Captain Kane, and at 3:55 o'clock this afternoon he will leave on the Overland Limited for the Yosemite valley, where he will rest for a week before continuing the tour.

RECEPTION AT CLUB.

Admiral Evans is welcomed by Governor and Mayor.

Rear Admiral Robley D. Evans was the guest of honor at a luncheon given at the Commercial club at 12:30 o'clock yesterday. About thirty prominent citizens were present. The admiral was escorted to the club by President William J. Halloran and Secretary Fisher Harris of the club. He was met by Governor Spry and Mayor Bransford and attended to the reading room.

Luncheon was served in the private dining room of the club, and a brief speech of welcome delivered by Mayor Bransford, was responded to by the admiral. The guests at the luncheon were Governor William Spry, General E. A. Wedgwood, Mayor J. S. Bransford, Colonel W. S. Scott, Captain F. M. Sterrett, W. J. Halloran, Fisher Harris, Joseph E. Calne, George A. Eaton, Dr. G. B. Pfoutz, W. F. Redman, S. C. Park, Captain W. C. Webb, C. C. Goodwin, William Igleheart, J. M. Sjodahl, William Nelson, Colonel F. M. Sterrett, Charles S. Burton, John C. Cutler, Heber M. Wells, D. H. Christensen, Senator George Sutherland, William H. Bancroft, Le Roy Armstrong, P. J. Moran, Willard Young, John H. Johnson, R. E. Miller, Ira H. Lewis, H. P. Clark, A. W. Carlson, John Dorn, Samuel Weiss, H. L. A. Culmer.

Remember next Saturday night, dance Saltair.

THE GREAT FAMILY CONSTIPATION CURE

What do you do when constipated? If the head of a family, what do you advise others to do in such an emergency? These questions are important. Constipation is a very serious disorder, because it gives rise to troubles like skin diseases, rheumatism, etc. Also, the responsibility of directing the physical welfare of a family is a grave one, and it is important that you should know what to do in the little emergencies of life. Perhaps you have tried purgatives and cathartics and aperient waters and know by this time that they are too violent in their action for the average person and that, at best, they do but temporary good. You will never get permanent results from anything but a liquid laxative tonic. A mere liquid laxative will not do it, but a laxative and tonic combined, like DR. CALDWELL'S SYRUP PEPSIN, not only cures the constipation in a gradual, gentle way, but builds up and strengthens the stomach muscles so that they can again do their own work. It is a truly wonderful laxative tonic, pure, as attested to the Government, and so sure in permanent results as to win the friendship of thousands of American families, to whom it is the family and home laxative. It will safeguard your health and your family's health. Children like it because of its pleasant taste, and it is equally suited to all ages. You can obtain a bottle for 50 cents or \$1 of any druggist, and with it you can cure constipation, liver trouble, indigestion and dyspepsia, sour stomach, heartburn, biliousness and other symptoms of stomach, liver and bowel trouble.

Medical Advice.
If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the Doctor and he will answer you fully. There's no charge for this service. The address is Dr. W. B. Caldwell. Look for this picture on the pkg. well 518 Caldwell Building, Monticello, Ill.

They Were Cured by Dr. Caldwell's Syrup Pepsin

We have been keeping house for five years and are never without Dr. Caldwell's Syrup Pepsin. We find nothing to equal it for stomach troubles, and my children like it as well as candy. One night my little girl, who is now four years old, had a bad cold and she didn't sleep. I gave her a spoonful of Dr. Caldwell's Syrup Pepsin and she was so good that we would not be without Dr. Caldwell's Syrup Pepsin. L. A. Weathers, Mgr. Enterprise Hotel, Indianapolis.

L. A. WEATHERS AND FAMILY. I had been troubled for some time with a very stubborn case of constipation. At the solicitation of my druggist, Mr. A. B. Hirsch, I finally decided to give Dr. Caldwell's Syrup Pepsin a trial. I received much benefit from it and continued the treatment until I am entirely cured.—Elmer McMillan, Speed, Mo.

Received your letter, also your sample and bottle. I thought I would give the medicine a good trial before saying much about it. I took a sample, and bought a large bottle and am taking it. I have not been constipated since and am feeling fine. I have recommended it to several others. Mother was here a few weeks ago and I gave her a dose and she said she would get a bottle, as it is so mild and easy. She is also bothered with constipation. I recommend it very highly.—Mrs. P. Marx, Peoria, Ill.

SEND FOR FREE TRIAL BOTTLE.

Readers of this paper who have never yet used Dr. Caldwell's Syrup Pepsin can have a free trial bottle sent to their home by forwarding their address to the Doctor. A postal card will do. It puts you under no obligation. It is done to prove to the world his confidence in its merits. In this way, by actual, personal demonstration, thousands have been brought to use it. It is regularly in thousands of American homes. It is The Nation's Safeguard for constipation, dyspepsia and indigestion, torpid liver, sick headache, biliousness and similar stomach, liver and bowel disorders. It agrees well with children; they like its taste. The purity of its ingredients is vouched for to the Government. If suffering with any of these ailments, send your name today for a free trial bottle and you will see how easy it is to be cured when the right means are employed. The address is:

DR. W. B. CALDWELL,
518 Caldwell Bldg., Monticello, Ill.

Smart Oxfords

The young man that wants a smart pair of Tan Oxfords, or any of the new shades in Ox Blood, Wine or Browns — can get his satisfaction satisfied right here. We are showing all the new creations in shapes—style feature and leathers. The new colorings will be very popular this season — yes, more, they'll be a fad.

Christenson
120 South Main Street.

The Best Spring Tonic IS Chiropractic

It also cures female troubles, rheumatism and nervous disorders—safe and permanent.

Now that spring is here, you are doubtless trying to decide what kind of a spring tonic will be best for you to take. If you feel "heavy"—sort of drowsy; if your bowels and liver do not work properly; if you feel that you need something to "rejuvenate" your entire body, the proper tonic is Chiropractic.

This wonderful science has solved the problem of helping nature to help herself. It is a nature cure, pure and simple. No drugs are used and no operations of any kind are necessary. Chiropractic adjusts the various nerves of the body and enables them to properly serve the organs controlled by them. In other words, it helps each part of the body to do the work nature intended it to do. Besides being an excellent tonic, Chiropractic is a safe and positive cure for female troubles of any nature, rheumatism, stomach, kidney and liver troubles, nervous disorders, paralysis and other diseases of similar character. The treatments may be taken by anybody and do not interfere with daily work.

Now here is a safe, positive cure for your trouble without inconvenience or great expense. It costs nothing to investigate. Consultations and examinations are free. There never will be a better time to start. Come in today.

Free consultation and examination.

NEWBRO'S HERPICIDE

The ORIGINAL remedy that "kills the Dandruff Germ."

GOING! GOING!! GONE!!!

HERPICIDE WILL SAVE IT HERPICIDE WILL SAVE IT TOO LATE FOR HERPICIDE

A PUBLIC TOOTH BRUSH.
A noted dermatologist says: "The time is coming when an unsterilized public hair brush will be as rare as a public tooth brush." The reason is that dirty hair brushes spread dandruff, and true dandruff is now known to be a contagious disease that will, sooner or later, cause baldness. A writer in Medical Review of Reviews says: "School children should know that it is dirty to use another's hair brush." When dandruff appears, get Newbro's Herpicide. It is intelligent use never fails to produce results. It is also a delightful hair dressing.

Send 10 cents in stamps to THE HERPICIDE COMPANY, Dept. 13, Detroit, Mich., for sample and booklet. One dollar bottles guaranteed. At Drug Stores. When you call for Herpicide, do not accept a substitute. Applications at Prominent Barber Shops.

10,000 ARTIFICIAL EYES

A lady attendant at room 251, Kenyon Hotel, for 10 days. Hotel office hours 10 to 12 a. m. and 2 to 5 p. m.

We wish to announce to users of Artificial Eyes that after April 1st we will have at our store, 259 So. Main street, 10,000 Artificial Eyes, from which we would be pleased to have you make your selection. The manufacturer has made them the same of perfection in color, size and design, and they conform almost exactly to the brilliancy of the natural eyes. This selection, which is the largest assortment of artificial eyes ever seen west of the Missouri river, will be here TEN DAYS ONLY. And it will be some time before so rare an opportunity is again afforded the users of these articles.

We will take pleasure in having our Eye Expert show you these and explain how easy it is to wear the famous Humbert and Snellen Reform Eyes.

We have engaged a room where our customers can be assured of privacy while eye is being fitted.

WE FIT GLASSES—Our main business is the scientific fitting of glasses. We can duplicate any lens while you wait. All our work is done on the premises, so you can be assured of quick and courteous service. We use the latest instruments and our workmen are equipped with the best and latest knowledge of the science of optics. Anything in the way of glasses we will be pleased to talk with you about.

For the convenience of those not being able to examine our large selection of eyes during the week we will have them at the Columbia Optical Co.'s store on Sunday from 9 a. m. to 12 noon.
